

WHISTLES WON'T STOP THIS

We're fighting for a world where immigrant proletarians will live free from the threat of state violence and deportation because the US government will have been destroyed and replaced by a multinational socialist state. The immigrant proletariat will be able to come out of the shadows and contribute to running the new socialist society, and the boot of US imperialism will be lifted once and for all from their home countries. We're fighting for a world where people don't have to leave their homes for a better life in the first place.
