

The background of the entire image is a stylized illustration. In the center is a globe of the Earth, showing continents in green and oceans in blue. The globe is surrounded by a vibrant, multi-colored ring of light, transitioning from yellow at the top to orange and then red at the bottom. Overlaid on this scene are several thick, black, stylized chains that appear to be breaking or snapping, symbolizing liberation or revolution.

**We know who is our enemy
We're the gravediggers of the bourgeoisie
We've got a mission to fulfill
For the revolution our blood we'll spill**

**We're the last class in history
Proletarians who work collectively
Dispossessed exploited we have been
We got nothing to lose and a world to win**

**Arise, arise, arise, all wretched of the earth
Arise, arise, arise, a better world's in birth**
